ROBB NOT A CANDIDATE.

Announces That on Account of Plan for Nominating Adopted by Committee He will Not be in Race for Congress.

The following special from Perryville, Hon. Edward Robb's home, under date of the 20th inst., appeared in Wednesday's Republic: "Former Congressman Edward Robb has announced that he will not make the race for Congress in this (the Thirteenth) district. He has just returned from the meeting of the Congressional Committee at Bismarck.

"The action of the committee, he says, in fixing August 18 for the primary, allowing any county to hold a primary between now and that time, makes a continuous fight from now until that date, and from that to the general election. On account of the long, continuous fight, which this will necessitate, and the closeness of the district in the general election, he says he does not feel justified in going into the race."

No Atonement, Says Hadley.

"Suppose that John D. Rockefeller, at his death, should leave all his Standard Oil possessions as a gift to the nation, to be held in trust perpetually for all the people? What then would people think of Rockefeller?"

This question was put to Attorney General Herbert S. Hadley of this state while in Kansas City the other day. "If Rockefeller did that," replied Mr. Hadley, "he could not atone for the almost incalculable moral wrong he has done to the country. It would not atone for the distinctly dishonorable and commercially universal trend the success of Standard Oil has given to the trading and financial organizations of America."

"In my recent investigations I have had the most positive and actual proof of the demoralizing influence of Standard Oil in Missouri."

Railroad preferences still exist. It costs 5 cents more to freight oil from St. Louis to Kansas City than it does from Kansas City to St. Louis. But Standard Oil has a refinery at Kansas City.

"Standard oil is shipped in iron barrels and independent oil in wooden barrels. Iron barrels are heavier, but the rate on wooden barrels is one class higher."

Railroad officials have been bribed here. The spy system is common. Every trick and turn that can be adopted to evade the law is used without scruple. I don't know how Rockefeller could atone!"

Death of Thomas J. McClintock.

Thomas J. McClintock died at his home in Desloge Sunday morning, February 18, 1906, of Bright's disease, aged 58 years, 9 months and 19 days. He was born in Liberty township, this county, April 30, 1845, and was reared on the farm. He married Miss Louise Bayless, and to them were born eight children, seven of whom are living, all grown. They are Mrs. Rosa Hettisheimer and Mrs. Fanny Adams of Desloge, Mrs. Phoebe Frazier of Bonnetterre, George McClintock of Bellevue, Mrs. Anna Boyd of Kansas City, Sam and Miss Maud McClintock of Desloge. Besides his widowed wife and children, he leaves an aged mother, one brother, Ed. McClintock of DeLaussus, with whom the mother makes her home, and two sisters, Mrs. Samuel Vance of Farmington and Mrs. J. L. Lawrence of Coquille City, Oregon.

Mr. McClintock was an underground drill foreman for the National Lead Company at the time of his death. For a number of years he was in the employ of the Iron Mountain company, and when he left there went to Desloge, where he has since lived. He was a man of upright character who enjoyed the confidence and respect of all who knew him, and a loving husband and father. His funeral took place from the Southern Methodist Church at Desloge, Rev. Velvick conducting the services, after which the A. O. U. W., of which he was a member, took charge and laid his body at rest with the imposing rites of that order. The family and relatives have the sympathy of a large number of friends in their sorrowful bereavement.
